Dimension : W74 x D120 x H24mm

Net Weight(g) : Tx : 200g, Rx : 210g

# HDBT-EX2-4K

## HDMI Extender

### ENGINEERING FOR QUALITY

The HDBT-EX2-4K extender set comprises a pair set of both transmitter and receiver. With the HDBaseT technology, HDBT-EX2-4K is your most cost effective signal processing device and utilises to transmit the signals to the receiver up to 70m (Full HD standard) via Cat6 (or upper standard) cable and recommended CAT6a (or upper standard) cable up to 40m (4k standard) .

The extender set supports PoC, enabling the receiver to be powered by minimum requirement via Cat6 cable. It can be powered from either at transmitter side or receiver side.
